**Attachments:** Response to Comments DRAFT 121214.doc

Hi Alan--

Here's the latest RtC with some of Steve's "appendix" comments added in. Unfortunately, they are still all interspersed with the previous comments I had flagged for you and others on the tech team. Alas, I didn't have time to call them out separately but hopefully a quick skim would enable you to identify the new language/comments I've added.

Allison
